## Complete Sanitary Fixing Solutions

- Easi-plan is an ultra flexible range of concealed sanitaryware installation frames that allow the bathroom designer to design with flair and imagination with no need to compromise installation quality.
- The hidden frames cover all aspects of sanitaryware and brassware installation including WCs, basins and bidets. They create a pre-wall fixing system eliminating the need for unsightly pipe boxing and exposed pipes.
- Easi-plan has been designed specifically for the UK market and its innovative design and installation features make this the future of bathroom design.

### PRE-WALL INSTALLATION PLANNING

The key to any stylish bathroom is in the planning. With Easi-plan any bathroom structure is possible and space can be used more efficiently. Some examples of innovative use of pre-wall design are shown opposite.

The Easi-plan range is not just restricted to sanitaryware fixing frames. Using the voids created by the Easi-plan frame offers the option of having stylish recessed natural timber cabinets to make maximum use of space within the bathroom. These offer vital storage space, an area often overlooked in bathrooms, whilst giving the room the ultimate designer look.

# Standard Frame Features

Frames supplied complete with extension bolt set and quick fix nuts

Wall bracket and top of frame designed for easy shelf installation

All cisterns supplied with easy use water isolation valve

# Visit your local bathroom retailer

Visit our website [www.abacus-bathrooms.co.uk](http://www.abacus-bathrooms.co.uk) and go to the store locator tab. Find our retailers by inputting your postcode. To make things easy for you we have divided these into 3 categories:

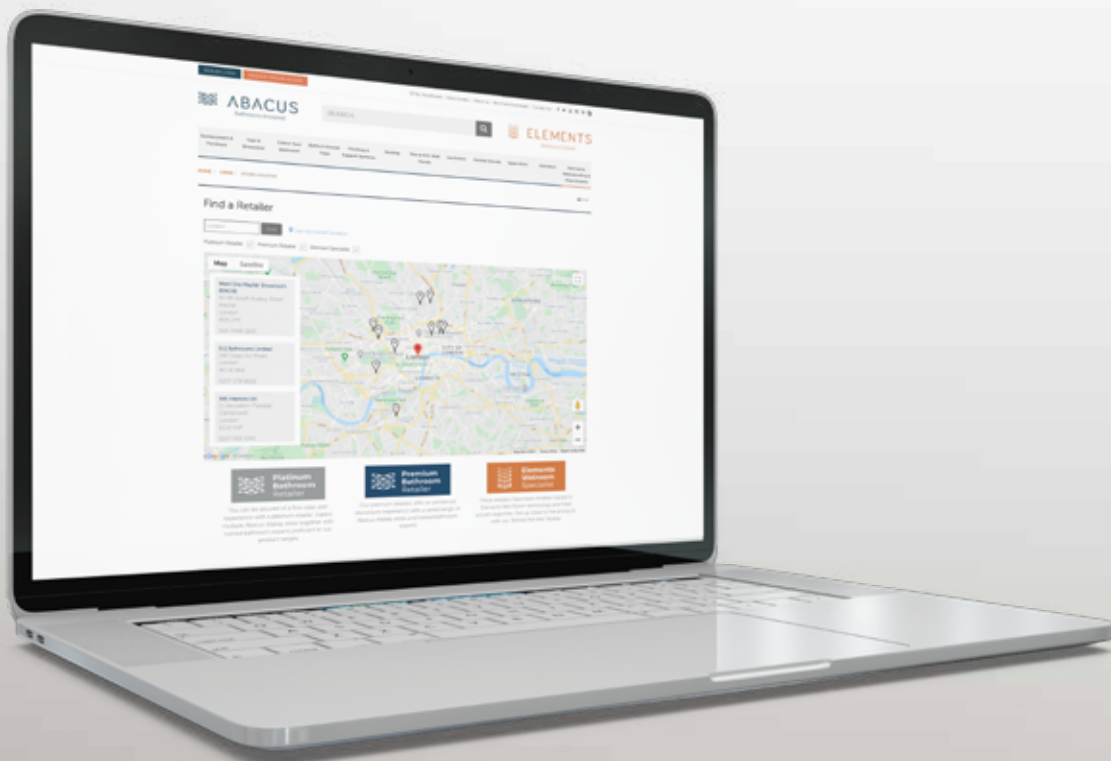

You can be assured of a first-class user experience with a platinum retailer. Expect multiple Abacus display areas together with trained bathroom experts proficient in our product ranges.

Our premium retailers offer an enhanced showroom experience with a varied range of Abacus display areas and trained bathroom experts.

These retailers have been installer trained in Elements Wet Room technology and have proven expertise. Get up close to the products with our 'Behind the tiles' display.

# More bathroom inspiration from Abacus

Find out more about Abacus Bathrooms Products via [www.abacus-bathrooms.co.uk](http://www.abacus-bathrooms.co.uk)

## Bathroom Concepts.

Developed alongside some of the world's most prestigious bathroom brands, our comprehensive product range offers stunning contemporary designs, twinned with market-leading guarantees, which will suit all bathroom needs.

Our approach to completing a bathroom through both product and design innovations makes us one of the only companies to supply every product required in a bathroom from conception to completion.

## Elements Wetrooms.

Our design-led approach manufacturing means that our Abacus Elements Wetroom products combine the ultimate strength with the utmost peace of mind.

Elements range offers the most comprehensive range of wetroom and waterproofing products currently available. Comprising a large collection of wetroom trays with multiple choices of size and drain styles,

Elements also offers the complete solution from waterproofing bathroom walls and floors to wellness products and steam rooms, all backed with a 15-year guarantee.

## Elegance Towel Warmers & Ultima Valves.

An extended range of towel warmers and radiators which will enhance the appearance of any room. Available in various finishes including Stainless Steel along with Matt White, Matt Black, Terra Matt and Anthracite.

Abacus Towel Warmers come in a variety of shapes and sizes offering something for everyone.

## Colour Your Bathroom.

Make a contemporary designer statement in your bathroom with matching coloured brassware and accessories throughout. Bold, confident and chic styling makes for an ultra-coordinated look for the modern bathroom.

Available in matt black, brushed bronze, brushed nickel and chrome.

Perfectly colour matched components across all of the Ki, Plan and Iso ranges, including accessories and wetroom components.

## General

### Prices

The prices displayed throughout this catalogue supersede all other previous publicised price lists. All prices include VAT and are subject to change without prior notice.

## Care and maintenance

Abacus products are manufactured to exacting standards and following the care and cleaning guidelines below will ensure that your bathroom will give you years of effective use.

### WC Flush Plates

WC Flush Plates should be cleaned with a diluted mild detergent such as washing up liquid applied with a soft sponge or cloth, and then buffed dry with a microfibre cloth.

Avoid using acids, rough sponges or steel wool and do not leave detergent on the products for long periods of time.

### General

NEVER use products containing bleach on bathroom products or any cleaners or cloths of an abrasive nature.

## Product Guarantee

Abacus products are covered by a comprehensive guarantee for peace of mind.

All Abacus guarantees are subject to online registration. To register your product and activate your guarantee please visit [www.abacus-bathrooms.co.uk](http://www.abacus-bathrooms.co.uk)
