K KUDOS

Great **British Showering** Solutions

For over 20 years KUDOS have been designing and manufacturing high quality showering solutions from our factories in the beautiful Lake District and in Coleraine, close to the stunning NI coast and the inspiring Giants Causeway.

During this time we have built an enviable reputation for producing innovative, precision engineered Shower Doors, Enclosures, Screens, Shower Trays and Wet-Room Systems that deliver the very best in functionality, performance and value each covered by the KUDOS lifetime guarantee*.

Available through specialist bathroom retail showrooms and backed by our nationwide in-house retail support team to provide complete confidence and peace of mind.

* See website for details.

K KUDOS

Shower Tray Collection

The bases for a great shower

Choosing the right shower tray is likely to be the most important decision you will make in the selection of products for your new bathroom.

Most bathroom fittings can easily be removed and repaired or replaced if a fault develops, but with the tray, once installed problems often becomes a major issue. Not only do you have to remove the enclosure but also tiles on floors and walls are likely to need replacing and there is potential for damage to floors and ceilings.

All Kudos shower trays are covered by our lifetime guarantee against faulty materials and workmanship and, if correctly installed and maintained, will not only provide you with a stunning looking product but also the comfort of knowing that your shower is built on a British made product from a company with a reputation for quality and value.

Choose either Kstone or the stunning and unique connect2 tray in either high Gloss finish or the new SR Slip, Scratch & Stain resistant finish and give your shower the perfect foundation.

Contents

Standard High Gloss Finish	04
Featuring acrylic capped abs material to give a pristine high gloss finish supported by resin bonded stone filler to provide stability.	
SR Slip, Stain & Scratch Resistant Finish	05
Kudos SR trays feature a textured acrylic surface embedded with slip resistant additives to provide a safer showering environment with the added benefits of increased scratch and stain resistance to maintain a "like new" appearance.	
Connect2	06
The stunning looking Connect2 is a uniquely designed shower tray featuring two offset waste positions that ensures an obstruction free connection.	
Kstone	10
KUDOS Kstone trays are made from the highest quality materials with a structural resin bonded stone filler to provide incredible stability.	
Flexi-Seal	13
Flexi-Seal uses a combination of durable flexible rubber with a waterproof butyl based adhesive to give maximum protection where the shower tray meets the wall.	

K KUDOS

High Gloss Shower Trays

Manufactured in our Kudos UK based factories and covered by a lifetime guarantee, all our trays are made from the highest quality materials. These include an acrylic capped ABS skin, which provides a superb high gloss finish that is durable as well as being resistant to impact damage and staining. The structural resin bonded stone filler provides incredible stability. Available in both Kstone and Connect2 options in a wide variety of shapes and sizes.

K KUDOS^{SR}

Slip, Scratch & Stain Resistant Shower Trays

Safety at heart. *Reliability at its core.*

KUDOS *SR* Trays all feature a new textured anti-slip surface which exceeds all current EU standards for barefoot bathing and unlike many other anti-slip trays, is comfortable underfoot and is easy to clean. The attractive textured surface offers a high degree of scratch and stain resistance, maintaining its appearance for years to come.

Slip Resistant

All KUDOS *SR* Trays feature the latest development in surface material which exceeds all EU standards for barefoot bathing. The slip resistant properties are embedded in the material, rather than a coating on the surface, which means it cannot be removed and is comfortable to stand on.

Scratch Resistant

The textured surface of all KUDOS *SR* Trays provide a high level of scratch resistance ensuring that your tray maintains a pristine appearance throughout its lifetime.

Stain Resistant

KUDOS *SR* Trays also provide a high level of stain resistance. They are easy to clean, requiring no special attention..

connect2

Designed, developed and manufactured in the UK by Kudos, the UK's leading supplier of innovative showering solutions. The stunning looking Connect2 is a uniquely designed shower tray featuring two offset waste positions that ensures an obstruction free connection.

The attractive low profile Connect2 tray will never let a joist get in your way again thanks to the unique offset dual waste outlet. Whether square, rectangular or the new quadrant - whatever the size, the Connect2 tray will allow you to connect the waste fitting without the need to reposition joists or raise the tray onto a plinth.

connect²

Features

- + Available in both High Gloss and SR slip, scratch, stain resistant finish
- + Unique design avoids the need to cut joists or lift the tray onto a plinth
- + Guaranteed to work with all standard joist sizes and spans
- + Structural resin bonded stone filler for increased stability
- + Super slim at only 35mm high
- + The reinforced colour matched waste cover is magnetically secured, comfortable underfoot and is easily removed for cleaning
- + Supplied with a dedicated high flow waste, rated to 35 litres per minute
- + Covered by the KUDOS Lifetime Guarantee.

A revolution in shower tray design

The unique design of the Connect2 tray ensures obstruction free waste connection irrespective of joist position or direction.

Connect2 trays are supplied with a high flow waste and a blanking plug secured with solvent weld (not supplied) to block the unused waste hole.

Connect2 trays are supplied with a stylish colour matched linear waste cover, magnetically secured and reinforced for comfort and stability underfoot.

Whether square, rectangular or the new quadrant - whatever the size, the connect2 tray will allow you to connect the waste fitting without the need to reposition joists or raise the tray onto a plinth.

Where joists run parallel to the width of the tray, at least one hole will always be clear.

Where joists run parallel to the length of the tray and both holes are obstructed, simply turn the tray 180°. The unique offset position will ensure both will become free.

With the unique connect2 design even Quadrant and the Kudos unique Full Curve shape trays has the ability to avoid joists.

Waste locations

Square & Rectangular shower trays

Position of waste holes relative to the centre of each tray.
All sizes: A - 95mm B - 100mm

Quadrant & Full Curve shower trays

Position of waste holes in relation to the 90° angle corner.
All sizes: A - 336mm B - 142mm C - 275mm

Flexi-Seal for a perfect, watertight finish.

Flexi-Seal fits between the edge of the tray and any abutting wall. It provides a flexible seal behind the tiles or wall panels avoiding any issues caused by potential grout or silicone failure.

Flexi-Seal uses a combination of durable flexible rubber with a waterproof butyl based adhesive to give maximum protection where the shower tray meets the wall.

As the rubber is flexible, it will maintain a watertight seal whilst allowing for a certain amount of movement that is inevitable, particularly in new builds.

Flexi-Seal

Products	Code	Price
Flexi-Seal 2m	KFS2	£28
Flexi-Seal 3m	KFS3	£42
Flexi-Seal 4m	KFS4	£55

ultimate

Stylishly minimalist and modern, yet classically elegant, Kudos ultimate walk-in enclosures compliment and enhance every style of bathroom design, so give your home the kudos it deserves and step into showering luxury.

pinnacle8

The pinnacle8 is a range of shower enclosures that represents new heights in shower door design, characterised by a minimalist cut out finger pull and easy fit wall posts with concealed fixings.

original classic

Often imitated, seldom matched, but never surpassed, Kudos original classic doors and enclosures have set the standard in showering excellence, with superb engineering, design and unbeatable value.

aqua4ma

There is no doubt that a fully tiled wet-floor extending into the shower area creates a stunning look, but appearances can be deceptive and its what's lying beneath the surface that counts.

original 6

With numerous enhanced features Original6 shower doors are individually hand built to exacting standards and are manufactured with the same attention to detail synonymous with the Kudos brand.

inspire

Over-bath showering has long been considered a compromise of practicality over style and performance, but not anymore. The bath screen collection by Kudos makes no such compromise
